Company Profile

Rotobrush supplies contractors serving residential or commercial markets with the most efficient solution to offer air duct cleaning services, fulltime or part-time.

With a consultative approach, Rotobrush's experts assess each customer's unique needs to identify the right equipment package to meet them. Cleaning systems, supplies, video inspection technology and electrostatic air filters are only part of the Rotobrush offering. Training, support and special business-related benefits bring contractors a one-stop shop for launching and growing an air duct cleaning line of business.

Rotobrush has over 20 years' experience and serves both domestic and international clients from its Dallas-Fort Worth area headquarters.

** Subject to credit approval and other terms and conditions as solely defined by Rotobrush International LLC's preferred leasing companies.*

Gain more replacement and maintenance deals by offering the value-added service of air duct cleaning. With allergies and asthma on the rise, the service is in demand. Plus when you change out a high-efficiency system, cleaning the ducts is just smart business. If you don't offer the service, your customers will be forced to go to the competition. Be the only service provider they need to call – and gain a compelling competitive edge!

Rotobrush makes it easy to add on air duct cleaning – *hassle free*. In business for more than two decades, Rotobrush has consultants who work with you to identify the right package to help you get started. With unique tools such as a

portable, one-person operated system for maximum efficiency, and video inspection systems especially for air duct cleaning and HVACR-related needs, customers have world-class technology options. Adding air duct cleaning with Rotobrush is different – and easy.

You get more than a piece of equipment; Rotobrush offers all the tools and support you need by consulting with you and supporting you before, during and after the sale.

As the market leader in air duct cleaning, consider the benefits Rotobrush offers you:

- ▲ **Certified Training** – Comprehensive classroom and hands-on training in a modern facility with field scenario duct systems.
- ▲ **Financing Options** – Just one job per month could pay for the equipment. Qualified applicants can even choose no money down and no payments for 90 days.*
- ▲ **Preferred Customer Program** – Access to preferential rates on business services, an exclusive customer-only online resource, additional training, marketing and discounts available.
- ▲ **Dedicated Service & Support** – You get a direct toll-free number to your assigned, personal customer care advocate. In addition, you always have 24/7 tech support.
- ▲ **World-Class Technology** – Effective, portable and easy-to-operate air duct cleaning and video inspection systems, and much more.

You could be adding more value for your customers, *attracting and ensuring more replacement and maintenance contracts*, and keeping techs busy in the off-season – all with one easy call. Take advantage of the air duct cleaning opportunity today with the market leader, Rotobrush.
