

## Survey Says...

Some in the industry are calling for the U.S. Environmental Protection Agency (EPA) to halt production of R-22 as of 2015. What do you think?

It's good for the industry. We need to move on to other refrigerant alternatives.

30%

It's bad for the industry. We should stick with EPA's original 2020 phaseout.

66%

Undecided.
