## COVERAGE SELECTION

\*All JB & Associates warranties are designed to complement OEM Limited Parts Warranties\*

To select coverage:

- 1) Determine the type of unit being covered and find the appropriate section in the book.
- 2) Select the correct section by matching the unit's limited factory warranty with the correct section header.
- 3) Determine the desired length of coverage and match with unit's capacity.
- 4) Select the JB&A item code based on the desired labor rate.
- 5) Use mapping tool on website to determine if Seacoast Coverage is needed.

- Thermostat included with any complete system or package unit. Additional coverage required for thermostats when OEM coverage is less than the term of the system agreement and when thermostat cost is > \$150 wholesale cost.

## GENERAL INFORMATION

Annual proper maintenance required per factory recommendations. If not performed could result in service contract being voided. The Premium Protection Plan™ covers mechanical failure only and is not to be considered a maintenance agreement. Proof of annual maintenance may be required.

Pricing is for equipment within 2 years from start up. Expiration of coverage is calculated from start up date. JB & Associates will not begin labor payment on a claim that occurs before the 91st day from receipt of purchase, except 1 year labor plans, which will begin on the 60th day from receipt of purchase. Coverage begins on the equipment start-up date and continues for the length of the agreement. Parts coverage begins the day factory coverage expires.

Premium Protection Plan™ reimburses one (1) part allowance per claim and is eligible beginning on the 91st day from purchase.

Multiple failures are reimbursed as follows:

### Non-Related Repairs

- ✓ One (1) diagnostic charge
  - ✓ Multiple part allowances for repairs (if applicable)

- ✓ One (1) diagnostic charge
  - ✓ One (1) part allowance (if applicable)

# DEALER SERVICE AGREEMENT

1. Authorized Service Contractor/Rep, upon request, will perform service and repair work on HVAC equipment for Premium Protection Plan Program (hereby noted as JB&A PPP) agreement holders when agreement holders have a valid claim. The Authorized Service Contractor/Rep agrees to charge the manufacturer for labor and parts whenever they are covered under the manufacturer's warranty. JB&A PPP will not begin labor payment before the 91st day of receipt of the applicable executed agreement. It is very important for you to know if the consumer's agreement covers both part(s) and labor or if it covers only the part(s) or only the labor. If only one part(s) or labor is covered, it will be clearly stated on the consumer's agreement. These service contracts only cover mechanical and electrical failure.
2. Authorized Service Contractor/Rep must agree to perform the needed service and to repair the unit as efficiently and reasonably as possible. Service shops must give a minimum 90 days guarantee on labor and honor the standard manufacturer's warranty on parts they install. No claims for service parts or labor are paid until after the manufacturer's warranty has been completed.

Prior authorization tracking number generation is required for the following repairs or replacement: Compressor, Heat Exchanger, ECM Variable Speed (VFD Inverter type) Motor, Coil or any repair that exceeds \$600. Only items covered by the warranty are subject for payment.
4. JB&A PPP requires that the following must be included on all claims and supporting documents.
  - a. Service company name, complete address, phone number and email address.
  - b. Customer's name, complete address, phone number and email address.
  - c. Extended warranty service contract number, type and length of agreement.
  - d. Type of unit covered (such as condensing unit, air handler, compressor, etc.) and size of unit.
  - e. Product manufacturer, model number and serial number.
  - f. Date unit was purchased.
  - g. Date of service.
  - h. Nature of problem (diagnosis and date of diagnosis).
  - i. Type of service performed and details of the repair.
  - j. List of part numbers used (even if still under manufacturer's warranty).
  - k. Itemized list of charges.
  - l. Copy of distributor's invoice on all parts.
  - m. Customer's and service technician's signature on all service/repair tickets must be kept on file by the Contractor/Rep and made available to JB&A PPP on request.
  - n. Claims must be legible.
  - o. A copy of the signed service ticket, work order must be submitted including technician's arrival and departure time.
5. If any of the information outlined in Section 4 is missing, then the claim shall be returned for additional information. ZERO TOLERANCE for altering original documentation.
6. Parts invoice must accompany all claims, including claims against labor only agreements. ZERO TOLERANCE for altering original documentation.
7. "No problem found" calls are not covered-no reimbursement. This includes resetting of tripped safety switches. The consumer pays for such calls.
8. JB&A PPP agreements do not provide for two men per truck labor rates on residential products. Two men on COMMERCIAL roof mount and large ground mount units are covered for compressor and coil replacement only. Crane fee not to exceed \$250 on roof mounted units for commercial compressor and coil replacements
9. JB&A PPP agrees to pay labor and/or parts and/or Parts Allowance per the programs reimbursement schedule Parts may be requested to be returned to JB&A PPP for evaluation. Labor rate is listed and approved as shown on-line in the JB&A PPP Application.
10. All service work must be done during normal working hours. No extra charges for after hours, weekend and holiday overtime are allowed. Standard day rates will be paid.
11. The agreement becomes effective on the 91st day from receipt of the agreement from JB&A PPP. No claims will be paid for work done to any and all pre-existing conditions that occur prior to the effective date of this contract. If an Agreement's coverage is changed, there will be a 45 day waiting period, during which a claim cannot be filed.
12. Authorized Service Contractor/Rep agrees JB&A PPP may verify, if they desire, directly with the customer or holder of the agreement, work performed for which the claim has been filed. Random audits will be performed. The Contractor/Rep Service Agreements for Contractor/Reps who submit fraudulent claims or experience excessive claims will be automatically terminated and their customer list reassigned to another authorized contractor.
13. JB&A PPP will pay Authorized Service Contractor/Rep \$1.00 per mile up to 30 miles outside the Servicer's normal trade area, defined as outside a 30 mile radius of the Servicer's shop or office.
14. Claims must be submitted within thirty (30) days of service. Any missing supporting documents must be submitted within 30 days of date of submission. Incomplete claims will not be considered and will be denied. Denied claims can be revisited within 30 days of claim denial on a case by case basis.
15.
